

BUTTERFLY HABITATS

Since 2016, butterfly habitats have been planted at Ace Hardware, Dewey's Barrels, Miller's Pond, and Windsor Riverwalk. Our fun events, like The Windsor Monarch Festival and The Upcycled Planter Challenge, helped raise funds to further promote butterfly habitats and even catching local news coverage! With the Monarch Butterfly bouncing back from near extinction, we're thrilled about our progress. Plus, local schools are now including the raise and release program in their lessons!

PLANTER CHALLENGE

This year, The Upcycled Planter Challenge takes place June 21st through June 30th and coincides with the Windsor Garden Club's Garden Tour on June 28th, which the planters will be located outside at various businesses and on the town green. There will be an online auction to purchase planters, which also helps support the maintenance of each butterfly habitat.

EVENT SPONSOR

Gold Sponsor - \$500 Silver Sponsor - \$250
