

Windsor Walk of Light

Community 9/11 Remembrance Ceremony

Sunday, September 11, 2016

Approximately 3,000 paper luminary bags, one for each individual who lost their life on September 11, 2001, have been decorated by Windsor students and residents. The bags will line the sidewalks of the Windsor Town Green and be illuminated with glow sticks at dusk. A remembrance ceremony honoring our fallen heroes will be held from 7:00 PM to 7:30 PM. Following the ceremony, those in attendance can stroll the town green and view the luminary bags and reflect on the historic event in their own way.
